Subject: Mine and Reclamation Plan Revision – Change to year 1 mining sequence.

Dear Mr. Haddock,

Enclosed are C1/C2 forms and 6 clean copies of changes reflecting mining sequence, top soil storage, and subsoil storage within the first year. These changes and revisions are to be incorporated in the Coal Hollow Mine and Reclamation Plan (MRP), C/025/0005. This submittal was generated after a meeting with your staff on Tuesday, January 25, 2011.

Because of the timing issues associated with the mining process, it would be appreciated if your review could be expedited.

Please let me know if you have any questions or concerns. I can be contacted at (435) 691-1551

Sincerely,

B. Kirk Nicoles  
Resident Agent
